NAHÚM

Magic sometimes referred to as stage magic to distinguish it from paranormal or ritual magic is a performing art that entertains audiences by staging tricks or creating illusions of seemingly impossible or supernatural using natural means. These feats are called magic tricks, effects or illusions. A professional who performs such illusions is called a stage magician or an illusionist.

# BASKETBALL

The word "BASKETBALL" is rendered in large, bold, 3D white letters with a slight shadow, set against a background of a basketball's orange and yellow textured surface. The letters are slightly slanted and have a metallic or glossy appearance.

This article is about the sport. For the ball used in the sport, see [Basketball \(ball\)](#). You get a goal by shooting the ball through the basket during regular play. A field goal scores three points for the shooting team if the player shoots from behind the three-point line, and two points if shot from in front of the line. The team with the most points at the end of the game wins, but additional time (overtime) is issued when the game ends in a draw.

*Graffiti is writing or drawings that have been scribbled, scratched, or sprayed illicitly on a wall or other surface, often in a public place. Graffiti ranges from simple written words to elaborate wall paintings, and it has existed since ancient times, with examples dating back to Ancient Egypt, Ancient Greece, and the Roman Empire.*

*In modern times, paint (particularly spray paint) and marker pens have become the most commonly used graffiti materials.*

# ***Hamma beads***

*Hama Beads are small pieces of plastic of different colors, with which we will be able to create different designs and give them the form and size that we want, including objects in 3D.*

## ***FORMATS***

*There are four different sizes:*

*The MAXI STICKS format is a creative and an educational game which allows the small children under 5 years to learn as they play and helps them control their motor skills.*

*The midi size has a diameter of 5mm and it is not suitable for children under 5 years. It is the most frequently used format nowadays.*

*The maxi size has a diameter of 10mm and is the most suitable format for the children from 5 to 10 years.*

*The mini size has a diameter of 2.5mm and is not suitable for children under 10 years. With this format we can achieve a better definition of the designs.*

# Warhammer

Warhammer 40,000 (informally known as Warhammer) is a tabletop miniature wargame. Warhammer 40,000 was created by Rick Priestley in 1987 as the futuristic companion to Warhammer Fantasy Battle, sharing many game mechanics.

Players can assemble and paint individual, 28-millimetre scale miniature figures that represent futuristic soldiers, creatures and vehicles of war. These figurines are collected to compose squads in armies that can be pitted against those of other players.

# CHESS

It's a two-player strategy board game. It is played on a chessboard, a checkered gameboard with 64 squares arranged in an 8 by 8 grid. It's one of the world's most popular games, played by millions of people worldwide in homes, parks, clubs, online, etc.

Chess is a logic game, this game, for me is very cool.

# PHOTOGRAPHY

It is the science, art and practice of creating a real image by recording light or other electromagnetic radiation.

Typically, everyone uses to focus the light reflected or emitted from objects into a real image on the light-sensitive surface inside a camera during a time exposure. With an electronic image sensor, this produces an electrical charge at each pixel.

# PAINING

It s the practice of applying paint, pigment, color, or other medium to a surface (suport base). The medium is commonly applied to the base with a brush but other implements are also used.

In art, the term “painting” describes both the act and the result of the action. Paintings may have for their support such surfaces as walls, paper, canvas, wood, glass, etc.
