PORTAVENTURA MEDITERRANEA

PortAventura Mediterranea expertly combines the tranquility of a Mediterranean village with the adrenaline of its main attraction the Furius Baco.

A horizontal catapult that fires you from 0 to 135 km/h in three seconds.

The magnificent spectacle of water, electricity, fire, pyrotechnics and special effects that takes place on Lake of PortAventura Mediterranea will leave you absolutely speechless.

PORTAVENTURA CHINA

Inspired by an old Chinese fable, the legend of a proud prince who tried to dethrone the emperor of ancient China and the gods punished him by turning him into a dragon and condemning him to wander. If you dare to ride the main attraction with 8 vertical loops and a speed of 110 km/h

One of the most successful parts in this area of China is the Children's Area located in the Mongolia camp. The best attraction is Shambhala, Himalaya's expedition.

PORTAVENTURA MEXICO

One of these areas is PortAventura Park Mexico. Discover the culture of Mexico through its Mexican rhythm with musical entertainment that will make you dance and meet the most daring of rides in PortAventura Mexico, the Hurakan Condor.

The attractions of PortAventura Park Mexico will transport you to the rituals of this indigenous colonial land and challenge to the most powerful gods.

PortAventura Mexico shops allow you to take the best souvenirs or buy Mexican silver jewelry or you can sweeten your day with Haribo and PortAventura sweets.

A photograph of two dolphins leaping from the water in a pool. The dolphins are captured in mid-air, with their bodies arched and fins visible. The water is a vibrant blue, and the background shows a rocky shoreline. The text 'LORO PARK' is overlaid on the image in a stylized, hatched font.

LORO PARK

María Mata Alcantara

INTRODUCTION

A large orca is the central focus, lying on a yellow stage. A trainer in a black wetsuit stands to the right, holding a long pole. The background is filled with a large crowd of spectators, many wearing blue clothing, seated in bleachers.

Loro Park, zoo located on the outskirts of Puerto de la Cruz in Tenerife, Spain where it houses an extensive and diverse reserve of animal and plant species. The park was initially conceived as a paradise for parrots and has developed over the years into one of the biggest attractions of the Canary Islands, with over 40 million visitors so far.

HISTORY

Since 1972, when it opened at on 1.3 hectares with a 150 parrots, it has grown to 13.5 hectares and is home to some 4000 parrots representing 350 species and sub-species, as well as many other animals. This parrot collection is the largest in the world and makes the park one of the main references of these animals worldwide.

SHOWS

A person in a blue wetsuit stands in a large, bright blue pool, holding a blue umbrella. The background features a rocky, brown cliffside with green foliage and palm trees under a clear sky.

Shows in the park include sea lions , dolphins, parrots . The Loro Show – (an indoor cinema playing a 20 minute long film), and the orca show . Other attractions include the children's playground "Kinderlandia," Gambian Market, a parrot baby station, a huge parrot museum and many restaurants.

The background of the slide is a photograph of the entrance to Siam Park. Two large, ornate, tiered pagoda-like structures made of reddish-brown brick stand prominently against a clear blue sky. The structures have white decorative elements at their bases. In the foreground, there are some colorful, abstract structures and what appears to be a parking area with several cars. The overall scene is brightly lit, suggesting a sunny day.

SIAM PARK

- Siam Park is a Loro Parque-owned water park in Tenerife, Canary Islands, Spain. It is located on the TF1 highway in Costa Adeje. Siam Park claims to be the most spectacular water attraction in Europe. The park was opened by Her Royal Highness the Princess of Thailand Maha Chakri Sirindhorn.

DRAGON

- This attraction begins in the tunnel and a full 45 drop which will see you and your companions accelerating into the gigantic funnel at high speed. You are propelled high up on to the opposite side of the Dragon for a truly zero-gravity experience.
- Then, after a series of exciting oscillations through the 20 metre wide tunnel, you fall into the landing pool below.
- Each raft can carry a maximum of 4 people so you and up to 3 of your companions can enjoy this thrilling ride together.

WAVE PALACE

- Surf lovers young and old will love Siam Parks' wave palace!
- The Wave Palace is capable of producing the biggest artificial waves in the world.
- The waves are capable of rising up to a height of 3 metres, however under normal use the waves will be around half this size, so you can jump in and let the surf crash over you without fear!
- If you don't fancy out of hours surfing, you can still enjoy the more tranquil waves when swimming or paddling

TOWER OF POWER

- (Minimum height 1.42m)
- The Tower of Power is the highest ride in the park for all adrenalin seekers and height lovers.
- Climb up to the top of the tower and fall down the almost vertical 28 metre drop! This slide takes you through the transparent tube which is immersed in the aquarium filled with sharks and fish then you go up safely in the pool.
