

Nantucket

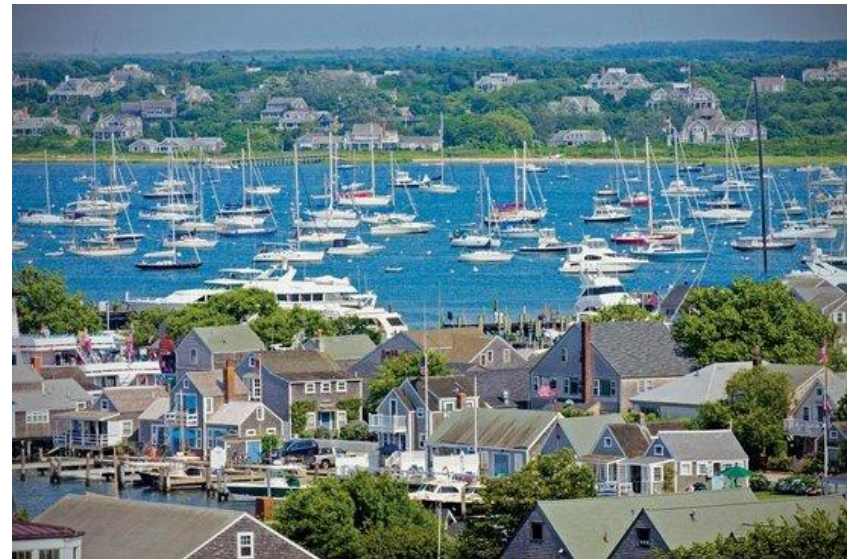

Nantucket

- Nantucket is an island of 30 miles (50 km) south of Cape Cod, in the American state of Massachusetts.
- Together with the small islands of Tuckernuck and Muskeget, it constitutes the Town of Nantucket.

Tourism

- Nantucket is a tourist destination and summer colony.
- The population of the island increases to about 50.000 inhabitants during the summer months, due to tourists and seasonal residents.
- Home prices per square foot are considered much higher than those in the Hamptons on Long Island.

Culture

- Nantucket has several noted museums and galleries, including the Maria Mitchell Association.
- Nantucket is home to both visual and performing arts.
- The island has been an art colony since the 1920s, whose artists have come to capture the natural beauty of the island's, including its flora and fauna.
